

Village of Goodfield  
Water and Sewer Committee Meeting  
March 25, 2021 via Zoom 7:00p.m.

Chairman Roger Mullins called the meeting to order at 7:00p.m. Present were Engineer Duane Yockey, PWA Josh Nohl, Water & Sewer Chairman Roger Mullins, Terry Nohl and Daryl Wilkendorf, President Edwards and Clerk Sheri Martin.

The purpose of the meeting is to discuss possible changes to chapter 12 of the Village Code Book – Operation of Public Sewers. Engineer Yockey was instructed by the Village Board to review Chapter 12, Article 4 – Use of Public Sewers and update it. Engineer Yockey review changes he would recommend for Sec. 12.401-12.411.

The committee discussed inflow possibilities: including sump pumps, poor service tap on connections at main and possibly leaking service lines.

Also discussed was to camera the service connections and lines to property line. An agreement would have to be drawn up and signed by the property owner.

Josh discussed the new technology now available by contractors and possibly lining of service lines if needed.

Engineer Yockey review and update all of Chapter 12.

There being no further business, the meeting adjourned at 8:19p.m.

Roger Mullins, Chairman
