

Village of Goodfield
Water and Sewer Committee Meeting
July 12, 2021 - 7:00p.m.
@ Village Hall - 114 S Eureka Street

Chairman Roger Mullins called the meeting to order at 7:00p.m. Present were Committee members Roger Mullins, Terry Nohl and Daryl Wilkendorf, President Jim Edwards, Engineer Duane Yockey, PWA Josh Nohl, Treasurer Teresa DeGrave and Clerk Sheri Martin.

The purpose of the meeting is to review Chapter 12 of the Village Code and to consider water and sewer rate increases.

Engineer Yockey reviewed the changes he saw necessary in Chapter 12. The committee will consider these changes. Once it has been determined whether or not water and sewer rates will change then the Committee will recommend approval of revised Chapter 12.

After much discussion regarding the water and sewer rates, it was decided that Teresa and Josh will go back through FY 19/FY20 to remove expenses associated with a water plant improvement that was done. This will give a better representation on operational expense vs revenue in the water fund for those years.

PWA Nohl brought up the fact that most towns charge a storm water fee.

An easement on Lots 27 & 28 in Bridle Ridge was discussed, but no action was taken.

There being no further business, motion to adjourn was made by Wilkendorf, seconded by Mullins. Meeting adjourned at 8:27pm.

Roger Mullins, Chairman
