## **WATER & SEWER DIRECT**

### **DEBIT**

Not enough interest was shown to merit the cost of direct debit for water & sewer payments.

The Village will be looking into credit card payments instead of the direct debit program. More information will be forthcoming in the next few months.

## **MAILBOX INFORMATION**

Mailboxes or supports that are placed too close to the roadway and mailbox supports that do not break away readily when struck interfere with the Village's snow plowing operations and present a hazard to motorists.

The Mailbox Ordinance prohibits the use of masonry mailbox enclosures. The Village has set a dollar limit on the Village's reimbursements if your mailbox is struck by a snowplow. Your cooperation in addressing these safety issues will be appreciated.

## **Burning in the Village**

Open burning of yard waste and garbage can create problems for yourself and neighbors. Village Codes states, It shall be unlawful for any person to burn any garbage, refuse, shingles, tires, plastics or any petroleum products within the Village. No material of any description shall be burned in an open fire after 8:00p.m., or before 7:00a.m. A competent person shall constantly attend the fire until it is extinguished. Burning is prohibited on any public streets, sidewalks or alleys of the Village. Please do not try to burn freshly cut grass clippings or green landscape waste. Please consider the health of others while burning.

## **Snow Plowing**

Snow Plowing season will soon be here. Please help us make the job easier and faster for everyone by not parking on the streets until after the streets have been cleared. This would be very helpful for the operators. A snowfall of 2" or more requires vehicles to be removed from the streets until the streets are cleared to the curb line, if vehicles are not moved they may be towed. We also request residents and businesses not pushing, shoveling or blowing snow into the streets.

When you place snow on the streets it creates problems for the snow plows and creates a safety hazard for traffic on the streets. Once the snow is packed it can not be removed and creates a large bump which can be dangerous for everyone. Your cooperation is appreciated!

## **GREG WAGNER RESIGNS AS VILLAGE TRUSTEE AND IS REPLACED BY WADE WETTSTEIN**

The Village of Goodfield would like to thank Greg Wagner for serving the Village as Trustee for 12 years! We appreciate all Greg has done for the community and look forward to working with Wade!

## **NEWS FROM GOODFIELD DISPOSAL (Phone: 963-5582)**

Due to State of Illinois Regulations, as of January 1, 2012, we will not be allowed to take certain items to the landfill. These items are electronic items such as computers, computer monitors, printers and Televisions. We also can't take other smaller items such as game consoles, DVD players, fax machines, Scanners, mice, cable receivers, VCR reorders. These electronic items may be taken to ADDWC, 200 Moody Street, Eureka, Office Depot, 1700 E. College, Bloomington, any Best Buy Store, or Morris Tick, 501 E. Steward St., Bloomington.

We also can't take any yard waste, this means no grass clippings, leaves, branches or any garden or landscape waste. Please call with any questions about what we can take.

Scrap metal items can be taken to Savior Metals on Rt. 150 just left before the railroad tracks in Congerville. This is run by the Rock Creek Bible Church. All money raised goes to church missions. Larry Graves can be contacted for questions at 309-846-5852.

The Village of Goodfield has it's recycling in the trailer behind Village Hall for cardboard, Newspaper, plastic, and aluminum. This goes to ADDWC in Eureka.
