Burning in the Village

Open burning of yard waste and garbage can create problems for yourself and neighbors. Village Codes states, "It shall be unlawful for any person to burn any garbage, refuse, shingles, tires, plastics or any petroleum products within the Village. No material of any description shall be burned in an open fire after 8:00p.m., or before 7:00a.m. Burning is prohibited on any public streets, sidewalks or alleys of the Village.

MISCELLANEOUS VILLAGE INFO

DIRECT DEBIT **NOW AVAILABLE FOR** **WATER & SEWER PAY-** **MENTS**

The Village now accepts direct debit for water/sewer payments. This eliminates the need to write a check to the Village. You receive a bill stating how much you owe, then the amount is automatically debited from your selected bank account on the specified date.

Applications are available on the Village Website www.goodfieldillinois.com or can be picked up at the Village Office.

If you have any used flags which need proper disposal please drop them off at the Village Hall. We will see that they get to the American Legion for proper and respectful disposal.

Street Repairs

Street repairs and maintenance work will start soon to repair some street damage along with maintenance of ditches and the edges of the roads. This may result in grading the ditch area along the road to promote better drainage. Keep in mind your property line usually ends 10-15 feet from the edge of the street. This allows us to perform maintenance to the road and ditches as needed in the public right of way.

Snow Plowing

Snow Plowing season will soon be here! Please help us make the job easier and faster for everyone by not parking on the streets until after the streets have been cleared. This would be very helpful for the operators. Snowfalls require vehicles to be removed from the streets until the streets are cleared edge to edge. Repeat offenders will be ticketed and or towed. We also request residents and businesses not pushing, shoveling or blowing snow into the streets, keep pushed snow on your property as it creates problems for the snow plows and street traffic. Your cooperation is appreciated and the job can be completed sooner.

SOLICITOR'S

Be aware of solicitor's and know what to ask! If anyone is going door to door selling anything they must have a solicitor's permit from the Village. They also must carry the permit on them. If they do not have a permit please call the Village Hall (965-2517) or Goodfield Police (447-6265). As always...never let someone into your house if you do not know them!

Grass Clippings

Please do not blow grass clippings on the streets or sidewalks. This restricts the flow to the storm sewer system.

The vehicle should not extend on the sidewalk or public right of way and should not obstruct the view of street traffic. Side yard parking is permitted as long as the vehicle is parked on a durable surfaced area with driveway.
