MISCELLANEOUS VILLAGE INFO

DIRECT DEBIT

AVAILABLE FOR WATER & SEWER PAYMENTS

The Village accepts direct debit for water/sewer payments. This eliminates the need to write a check to the Village. You receive a bill stating how much you owe, then the amount is automatically debited from your selected bank account on the specified date.

Applications are available on the Village Website www.goodfieldillinois.com or can be picked up at the Village Office.

GOODFIELD FIRE DEPARTMENT IS STILL
LOOKING FOR VOLUNTEERS!

We currently have 13 on our squad and can staff up to 20. Without available volunteers, you may not get the help you need in the time you need it during your next emergency. Become a volunteer and help us make sure our community stays protected. We have applications available in a container underneath the mailbox at the station, and anyone interested in joining can call Erik Johnson @ 309-253-6794.

DAYLIGHT SAVINGS NOV. 6TH

This is a good time to check and change the batteries in smoke detectors and CO alarms!

Fall Street Maintenance

Fall street maintenance work is done to repair some street damage along with maintenance of ditches and the edges of the roads. This may result in grading the ditch area along the road to promote better drainage. Keep in mind your property line usually ends 10-15 feet from the edge of the street. This allows us to perform maintenance to the road and ditches as needed in the public right of way.

Snow Plowing

Snow Plowing season will soon be here! Please help us make the job easier and faster for everyone by not parking on the streets until after the streets have been cleared. This would be very helpful for the operators. Snowfalls require vehicles to be removed from the streets until the streets are cleared edge to edge. Repeat offenders will be ticketed and or towed. We also request residents and businesses not pushing, shoveling or blowing snow into the streets. Keep pushed snow on your property as it creates problems for the snow plows and street traffic. Your cooperation is appreciated and helps to complete the job sooner.

SOLICITOR'S

Be aware of solicitor's and know what to ask! If anyone is going door to door selling anything they must have a solicitor's permit from the Village.

They also must carry the permit on them. If they do not have a permit please call the Village Hall (965-2517) or Goodfield Police (447-6265).

As always...never let someone into your house if you do not know them!

Grass Clippings

Please do not blow grass clippings on the streets or sidewalks. This restricts the flow to the storm sewer system.

Man's Best Friend

Please be respectful of others! If your dog makes a "mess" in Village right of way or on someone else's yard please clean it up!

Off Street Parking:

Village Code currently states, “ No vehicle may be parked in the front yard, unless it’s parked on a durable surfaced driveway, provided it has valid license plates and operable. The vehicle should not extend on the sidewalk or public right of way and should not obstruct the view of street traffic. Side yard parking is permitted as long as the vehicle is parked on a durable surfaced area with driveway. However, no rear yard parking is permitted except where garage with a durable surfaced driveway is located.

CLEAN UP FOR UNLICENSED VEHICLES:

Please note that all vehicles including trailers must have current valid license plates and registration stickers attached, or the vehicle or trailer must be stored inside a completely enclosed location on your property. If you have any questions regarding vehicles and license plates please contact the Village Office at 965-2517.

Burning in the Village

Open burning of yard waste and garbage can create problems for yourself and neighbors. Village Codes states, “It shall be unlawful for any person to burn any garbage, refuse, shingles, tires, plastics or any petroleum products within the Village. No material of any description shall be burned in an open fire after 8:00p.m., or before 7:00a.m. Burning is prohibited on any public streets, sidewalks or alleys of the Village.

If you have any used flags which need proper disposal please drop them off at the Village Hall. We will see that they get to the American Legion for proper and respectful disposal.
