GOODFIELD PARK

DISC GOLF COURSE

Thanks to Kip Taufer, Keith Grimm, Nate Hartman and Mike Grimm Goodfield Park is in the process of getting a Disc Golf Course! Keith, Nate and Mike were instrumental in raising the funds needed for the course. Local citizens and business owners funded the project. Kip Taufer was the inspiration and designer of the course which is set to be completed by winter.

For those that are not familiar with Disc Golf...Disc golf, also called frisbee golf, is a flying disc sport in which players throw a disc at a target, and is played using rules similar to golf. Players complete a hole by throwing a disc from a tee area toward a target, throwing again from the landing position of the disc until the target is reached. Players seek to complete a course in the lowest number of total throws.

Burning in the Village

Open burning of yard waste and garbage can create problems for yourself and neighbors. Village Codes states, "It shall be unlawful for any person to burn any garbage, refuse, shingles, tires, plastics or any petroleum products within the Village. No material of any description shall be burned after 8:00p.m., or before 7:00a.m., with the exception of attended small campfires for cooking purposes. Burning is prohibited on any public streets, sidewalks or alleys of the Village.

GOODFIELD DISPOSAL INFORMATION

Holiday Schedule: The holidays observed are New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. The holiday and the days following in that week will be picked up a day late.

Items that require special arrangements for pick up:

Large items such as construction material and furniture. Waste items that the landfill will not accept which includes: tires, batteries, liquid paint (paint hardener is available at your local hardware store), oil, chemicals, yard waste, appliances and electronics.

Garbage can preference: Cans should be able to be manually picked up and dumped into the truck. If you can't pick it up it is probably too heavy. Cans should be no larger than 50 gallons. All loose refuse must be secured in cans or garbage bags. No loose piles.

MISCELLANEOUS VILLAGE INFO

DIRECT DEBIT

AVAILABLE FOR WATER & SEWER PAYMENTS

The Village accepts direct debit for water/sewer payments. This eliminates the need to write a check to the Village. You receive a bill stating how much you owe, then the amount is automatically debited from your selected bank account on the specified date.

Applications are available on the Village Website www.goodfieldillinois.com or can be picked up at the Village Office.

Grass Clippings

Please do not blow grass clippings on the streets or sidewalks. This restricts the flow to the storm sewer system.

GOODFIELD FIRE DEPARTMENT

The fire department is currently looking for volunteers. Stop in and see what you can be a part of. Shadow a volunteer for an evening. Schedule a visit 1st or 3rd Tuesday nights. Call Erik Johnson to set up an appointment (309-253-6794).

DAYLIGHT SAVINGS NOV. 5TH

This is a good time to check and change the batteries in smoke detectors and CO alarms!

Fall Street Maintenance

Fall street maintenance work is done to repair some street damage along with maintenance of ditches and the edges of the roads. This may result in grading the ditch area along the road to promote better drainage. Keep in mind your property line usually ends 10-15 feet from the edge of the street. This allows us to perform maintenance to the road and ditches as needed in the public right of way.

Snow Plowing

Snow Plowing season will soon be here! Please help us make the job easier and faster for everyone by not parking on the streets until after the streets have been cleared. This would be very helpful for the operators. Snowfalls require vehicles to be removed from the streets until the streets are cleared edge to edge. Repeat offenders will be ticketed and or towed. We also request residents and businesses not pushing, shoveling or blowing snow into the streets. Keep pushed snow on your property as it creates problems for the snow plows and street traffic. Your cooperation is appreciated and helps to complete the job sooner.

With school back in session and Halloween coming up the Police Dept. would like to remind everyone to be cautious of children walking and playing around the village streets. As we all know children don't always think before they act, and it only takes a few more seconds to slow down and take extra care when driving past them.

Also, we would like to remind parents to make sure your children are playing safely and are not too close to the street. A simple mistake by a child or driver can end in tragedy and the more distance between traffic and children the less likely for problems.

As Halloween approaches and you plan your children's costumes. Please make sure that they will be visible to motorists and that their vision is not blocked by the costume so they can see vehicles as they Trick or Treat. The addition of reflective tape or having the young ones carry flashlights or glow sticks helps greatly.

We at the Police Dept. would like to wish everyone a happy and safe Halloween.

Man's Best Friend

Please be respectful of others! If your dog makes a "mess" in Village right of way or on someone else's yard please clean it up!

Johnny Kennedy, who was working part-time, has been hired as a full time employee for the Village.

If you have any used flags which need proper disposal please drop them off at the Village Hall. We will see that they get to the American Legion for proper and respectful disposal.

CLEAN UP FOR UNLICENSED VEHICLES:

Please note that all vehicles including trailers must have current valid license plates and registration stickers attached, or the vehicle or trailer must be stored inside a completely enclosed location on your property. If you have any questions regarding vehicles and license plates please contact the Village Office at 965-2517.

Off Street Parking:

Village Code currently states, " No vehicle may be parked in the front yard, unless it's parked on a durable surfaced driveway, provided it has valid license plates and operable. The vehicle should not extend on the sidewalk or public right of way and should not obstruct the view of street traffic. Side yard parking is permitted as long as the vehicle is parked on a durable surfaced area with driveway. However, no rear yard parking is permitted except where garage with a durable surfaced driveway is located.
