

Village of Goodfield

STREETS AND ALLEYS COMMITTEE MEETING March 29, 2012

Meeting was called to order at 3:00p.m at the Village Hall. The following were present: Streets & Alleys committee chairman Terry Nohl and committee members Mike Grimm and Josh Kuntz, Village Engineer Duane Yockey, PWA Roger Mullins, Wastewater Operator Josh Nohl.

The Village streets were inspected and Engineer Yockey feels seal coat or hot mix overlays are not necessary this year. Some street edges need cold patching and will be fixed by the village crew. The Village will hire Midstate to spray seal coat seal coat several small cracked areas.

Meeting adjourned at 4:15p.m.

Respectfully submitted,

Terry Nohl
Streets and Alleys Committee Chairman
