## STREETS AND ALLEYS COMMITTEE MEETING

March 30, 2016

No meeting was held because not enough committee/board members were present. Present were Streets & Alleys Chairman, Terry Nohl, Engineer Duane Yockey, Public Works Administrator Nohl and Assistant Public Works Administrator Carr and no visitors.

The agenda for the meeting was to discuss:

1. 2016 Street Repair Drive Through
2. Proposed Safety Improvement for Norfolk Southern Railroad @ Harrison Street & Birkey Street

### **2016 Street Repair Drive Through**

All attending drove the streets to determine if any repairs were needed. Engineer Yockey will bring a list of proposed work to be done to the April 21, 2016 Regular Board Meeting for full Board review.

### **Proposed Safety Improvement for Norfolk Southern Railroad at Harrison Street and Birkey Street**

Nothing discussed.

Respectfully submitted,

Terry Nohl  
Streets and Alleys Committee Chairman
