**SNOW PLOWING**

This year's snow plowing season started December 8, 2013. A few guidelines for residents which will help the Village employees who deal with the snow at different times of the day and night, including weekends and holidays.

In case you have forgotten or do not know, Please follow these guidelines:

Do not park vehicles including trailers on the streets until after the streets have been cleared edge to edge. Vehicles including trailers which are not moved may be towed at the owner's expense.
