**WATERMAIN FLUSHING WILL BE DONE IN APRIL!
STREET REPAIRS AND MAINTENANCE
WILL BE DONE THIS SPRING AND SUMMER**

MISCELLANEOUS VILLAGE INFO

Water main flushing will begin in April (weather permitting) and will continue Monday through Friday each week until completed.

Water main flushing is a normal maintenance requirement, which must be done regularly to help remove sediment that form in the main lines. Residents may notice a pressure variation and/or discoloration of water during this process. Water used for laundry may cause staining or discoloration. If you have any questions regarding flushing schedules please call 965-2517.

Off Street Parking

Village Code currently states, " No vehicle may be parked in the front yard, unless it's parked on a durable surfaced driveway, provided it has valid license plates and operable. The vehicle should not extend on the sidewalk or public right of way and should not obstruct the view of street traffic. Side yard parking is permitted as long as the vehicle is parked on a durable surfaced area with driveway. However, no rear yard parking is permitted except where garage with a durable surfaced driveway is located.

Street Repairs

Street repairs and maintenance work will start soon to repair some street damage along with maintenance of ditches and the edges of the roads. This may result in grading the ditch area along the road to promote better drainage. Keep in mind your property line usually ends 10-15 feet from the edge of the street. This allows us to perform maintenance to the road and ditches as needed in the public right of way.

DIRECT DEBIT AVAILABLE FOR WATER & SEWER PAYMENTS

The Village accepts direct debit for water/sewer payments. This eliminates the need to write a check to the Village. You receive a bill stating how much you owe, then the amount is automatically debited from your selected bank account on the specified date.

Applications are available on the Village Website www.goodfieldillinois.com or can be picked up at the Village Office.

NEW WATER RATES EFFECTIVE STARTING JUNE 1, 2108 FOR RESIDENTIAL, BUSINESS/COMMERCIAL & INDUSTRIAL PRIMARY METERS. This was published in pamphlet form on April 20,2017 and is available for reiew at the Village Hall. Residential and Business, Commercial and Industrial Primary Meters

- A.) Minimum monthly billing is \$7.25
- B.) First 2000 gallons used at \$7.25 per 1000 gallons
- C.) Next 6000 gallons used at \$6.60 per 1000 gallons *
- D.) Over 8000 gallons used at \$6.15 per 1000 gallons *

***These rates will change on June 1, 2019 as follows:**

- 2019** (C) Next 6,000 gallons used at \$7.25 per 1,000 gallons
- (D) Over 8,000 gallons used at \$7.25 per 1,000 gallons

If you have any questions regarding the new rates and how this will effect your bill please feel free to contact the Village Office at 965-2517.

Grass Clippings

Please do not blow grass clippings on the streets or sidewalks. This restricts the flow to the storm sewer system.

Burning in the Village

Open burning of yard waste and garbage can create problems for yourself and neighbors. Village Codes states, It shall be unlawful for any person to burn any garbage, refuse, shingles, tires, plastics or any petroleum products within the Village. No material of any description shall be burned after eight o'clock (8:00) P.M., or before seven o'clock (7:00) A.M., with the exception of attended small campfires and fires for cooking purposes. Burning is prohibited on any public streets, sidewalks or alleys of the Village.

CLEAN UP FOR UNLICENSED VEHICLES:Please note that all vehicles including trailers must have current valid license plates and registration stickers attached, or the vehicle or trailer must be stored inside a completely enclosed location on your property. If you have any questions regarding vehicles and license plates please contact the Village Office at 965-2517.

GOLF CART ORDINANCE

Goodfield allows golf carts on certain streets within the Village!

Registration, equipment requirements, operater/operation restrictions will be required.

If you are interested please call the Village Hall for more information!

Golf cart renewal registrations are due by March 31st!

Storm Siren Guidelines

The Village now has another storm siren at Goodfield Grade School. Sirens will be activated based on visual verification of a funnel cloud, tornado or strong rotation of clouds.

Sirens will be activated for 1 cycle which is 3 minutes.

No "all clear" signal will be given.

Storm sirens are "outdoor warning devices", which means they are intended to provide warning of tornadoes to individuals who may be outside. If you are inside during the storm siren activation you may not be able to hear the warning.

Normal testing of the storm sirens will be performed the first Tuesday of each month at 10:00a.m. If however, there is severe weather at that time no test will be conducted.

Residents are encouraged to purchase portable battery powered scanners or weather alert radios. Portable scanners can be programmed to monitor ESDA and other important emergency personnel in the area.

The Village can provide frequency numbers for any one who is interested.

Portable scanners can be purchases at Farm & Fleet or Wal-Mart.

Weather Websites

If you are interested in tracking storms or severe weather you can use the following sites:

www.crh.noaa.gov/ilx/

severe.php

www.weather.com

www.accuweather.com

Familiarize Yourself with the following weather terms to stay alert and prepared:

Tornado Watch—conditions are favorable for the development of tornadoes.

Tornado Warning—a tornado has been reported by spotters, or National Weather Service meteorologists have determined that one is about to form in the next several minutes. Go to a substantial shelter immediately!

Severe Thunderstorm Watch— conditions are favorable for the development of severe thunderstorms containing large hail and damaging wind.

Severe Thunderstorm Warning—large hail and/or damaging wind has been reported by spotters or is about to develop. Go to a substantial shelter immediately!
