# MISCELLANEOUS VILLAGE INFO

## **SOLICITOR'S**

Be aware of solicitor's and know what to ask! If anyone is going door to door selling anything they must have a solicitor's permit from the Village.

They also must carry the permit on them. If they do not have a permit please call the Village Hall (965-2517) or Goodfield Police (447-6265).

As always...never let someone into your house if you do not know them!

## **PAY YOUR WATER BILL ONLINE!!**

**We now offer online bill payment with a credit/debit card. To pay your bill 24/7, go to [www.goodfieldillinois.com](http://www.goodfieldillinois.com) and click on the payment link. Convenience fees do apply. Fees are as follows:**

**Up to \$50.00 - fee is \$1.75**

**Over \$50.00—fee is a 3.5% of bill amount**

## **DIRECT DEBIT WATER & SEWER PAYMENTS**

The Village accepts direct debit for water/sewer payments. This eliminates the need to write a check to the Village. You receive a bill stating how much you owe, then the amount is automatically debited from your selected bank account on the specified date. Applications are available on the Village Website [www.goodfieldillinois.com](http://www.goodfieldillinois.com) or can be picked up at the Village Hall.

## **Fall Street Maintenance**

Fall street maintenance work is done to repair some street damage along with maintenance of ditches and the edges of the roads. This may result in grading the ditch area along the road to promote better drainage. Keep in mind your property line usually ends 10-15 feet from the edge of the street. This allows us to perform maintenance to the road and ditches as needed in the public right of way.

## **Snow Plowing**

Snow Plowing season will soon be here! Please help us make the job easier and faster for everyone by not parking on the streets until after the streets have been cleared. This would be very helpful for the operators. Snowfalls require vehicles to be removed from the streets until the streets are cleared edge to edge. Repeat offenders will be ticketed and or towed. We also request residents and businesses not pushing, shoveling or blowing snow into the streets. Keep pushed snow on your property as it creates problems for the snow plows and street traffic. Your cooperation is appreciated and helps to complete the job sooner.

## **Burning in the Village**

Open burning of yard waste and garbage can create problems for yourself and neighbors. Village Codes states, "It shall be unlawful for any person to burn any garbage, refuse, shingles, tires, plastics or any petroleum products within the Village. No material of any description shall be burned after 8:00p.m., or before 7:00a.m., with the exception of attended small campfires for cooking purposes. Burning is prohibited on any public streets, sidewalks or alleys of the Village.
