## Water and Sewer Committee Meeting

September 9<sup>th</sup>, 2014 at the Village Sewer Plant (4:00 p.m.)

Committee Chairman Wade Wettstein called the meeting to order at 4:00 p.m. Committee members Mike Grimm and Terry Nohl was present. Also present were Public Administrator Josh Nohl, Village Engineer Ed Doran, Mike Carr, Jeff Grimm, and Matt Grimm.

The agenda was to discuss details for the proposed construction of the Sewer Treatment Facility. The meeting discussed the area located on the east side of the village property at the sewer plant. This property is currently owned by Jeff and Ruth Grimm. Jeff said that he would be willing to allow construction access on his property along the proposed route. The committee recommended that the Village have a temporary construction easement in place prior to start of project. Lewis, Yockey and Brown will change the bid documents for the Sewer Treatment Facility to include this new haul route for the construction traffic.

There being no further business, the meeting was adjourned at 5:00 p.m.
